

16 September 1959

Reference: 9005-59-11

Dear Jim:

During the month of August we expended 308 hours overtime. This was necessary to meet our delivery schedule on October 31.

We will also require overtime in September and October, probably in the amount of 300 hours for each of these months. May we have your approval of these overtime hours.

Very truly yours,

STATINTL

Contract Manager
